

Elliott Global Service Network

● Elliott Service Facilities ● Authorized Service Facilities

With nearly a century of turbomachinery experience and a tradition of excellence, Elliott offers a single, comprehensive source for all your rotating equipment needs. We know what it takes to keep your equipment performance high and your maintenance cost low.

- Service for all types of turbomachinery – regardless of manufacturer
- Installation and start-up, maintenance, overhauls and repairs
- Full-service repair facilities throughout the world
- Rerates and upgrades for Elliott and non-Elliott equipment
- Genuine Elliott parts

Our repair facilities and field service teams are staffed by qualified personnel with extensive experience in repair techniques and procedures. They are ready to respond to your service requirements in a timely manner with the proper equipment. Elliott service is available 24 hours a day, seven days a week.

Elliott's service locations are listed on the reverse side.

The world turns to Elliott

**GLOBAL
SERVICE**

Elliott repair facilities are ISO 9001:2000 certified and utilize state-of-the-art technology to ensure consistent quality.

Call on Elliott for all of your turbomachinery service needs.
