

Elliott Online Parts Store

When you need spare or replacement parts for your Elliott turbomachinery, the ordering process should be fast, secure, and efficient. It should provide you with all the necessary details to effectively place your orders, and save you time so you can focus on other business initiatives.

The Elliott Parts Store is a secure online ordering system that is designed to streamline the ordering process for Elliott customers when they need normal maintenance parts for their Elliott turbomachinery. The online store does not replace other established methods for ordering genuine Elliott parts. It simply provides another convenient way to purchase these parts from a computer, tablet, or smartphone.

Online store benefits:

- ◆ Facilitates fast and easy parts orders
- ◆ Provides convenient access to your account information at any time
- ◆ Gives real-time visibility into order details including parts availability, pricing, lead time, order status, and shipping information
- ◆ Enables better-informed business decisions

Save 10% on Your Online Parts Orders

For a limited time, receive a 10% discount* on all parts ordered through Elliott's online store. The discount program is available *May 28, 2021 through November 30, 2021*. Take advantage of this great opportunity to save money on the parts that you need now.

*This discount is available from May 28, 2021 at 12 AM EST through November 30, 2021 at 11:59 PM EST. The discount applies to all parts purchased online through the Elliott Parts Store only; the discount does not apply to capital spare parts purchases.

Online Store Functionality

The Elliott Parts Store adds another level of convenience and provides real-time visibility into your account when you need to order spare parts for routine maintenance. When you log in to your secure account, you can:

- ♦ Review parts pricing and lead time
- ♦ Place orders for your spare parts
- ♦ Cancel your spare parts orders
- ♦ View open orders and order history
- ♦ View your invoices
- ♦ Review order status and shipping information
- ♦ Track your orders

With only a few clicks, you can find the parts you want, add them to your cart, and place your order. The system also allows you to save a list of commonly ordered parts so you can quickly reorder them when needed. Additionally, the online store gives you access to order details that enable you to make better informed purchasing decisions.
