## Elliott Product Overviews

### YR Turbine Overview

*This is a brief overview of Elliott YR Turbines that covers what a steam turbine is, their advantages, applications, Elliott YR turbine models, major components, lubrication systems, and auxiliaries (overspeed trip systems and governors).*

**June 20, 2022: 9am-11:15 am EDT**

**\$199 per person\***

**Register by Jun 13**

### MSMV Steam Turbine Overview

*This is a brief overview of Elliott Multi-Stage Multi-Valve (MSMV) Steam Turbines that covers what a steam turbine is, steam turbine theory, their advantages, configurations, Elliott models, applications, major components, and auxiliaries (servo motor, overspeed trip systems, and governors).*

**June 21, 2022: 9am-11:15 am EDT**

**\$199 per person\***

**Register by Jun 13**

### Centrifugal Compressor Overview

*This is a brief overview of Elliott Centrifugal Compressors that covers what a compressor is, compressor types, Elliott applications, major components, Elliott models, configurations, and rotor balancing.*

**June 22, 2022: 9am-11:15 am EDT**

**\$199 per person\***

**Register by Jun 15**

### Lube & Seal Systems Overview

*This is a brief overview of Elliott Lube & Seal Systems that covers lubrication applications, oil properties, major components of a lube system, options for a lube system, seal systems, and buffer gas systems.*

**June 23, 2022 9am-11:15 am EDT**

**\$199 per person\***

**Register by Jun 15**

### Cryodynamic Pump Overview

*This is a brief overview of Elliott Cryodynamic Pumps that covers history, Elliott pump types & models, design & major components, maintenance, and Elliott global service options.*

**June 24, 2022: 9am-11:15 am EDT**

**\$199 per person\***

**Register by Jun 15**

*\* We can only accept credit card payment for these classes (Visa, MasterCard, or American Express).*

- These classes are brief overviews of the equipment that are great for Buyers, Training Coordinators, Schedulers & Planners, etc.
- These live classes will be conducted via Webex.
- Each class will be approximately 2-2.25 hours long.
- Participants who complete the post-course evaluation will receive an attendance certificate.
- Cancellations/Refunds: Cancellations less than 1 week prior to training are subject to one-half tuition. No refunds for no shows. Elliott reserves the right to cancel or reschedule any class. If Elliott cancels, a full refund will be made.
