

■ **Customer:**  
Oil refinery, Louisiana, USA.

■ **Challenge:**  
Emergency repair of a critical gas compressor.

■ **Result:**  
When the compressor manufacturer couldn't make the commitment, Elliott delivered the job in 63 hours — on Christmas Eve.

## They turned to Elliott when others couldn't deliver.

The customer turned to Elliott because their time-honored supplier suddenly didn't have the time. Who will you turn to?
