EBARA's President Delivering Japan-America Society of Pennsylvania Annual Dinner Keynote Address

Jeannette, PA, Oct. 18, 2022 – Elliott Group is the title sponsor of The Japan-America Society of Pennsylvania (JASP) annual dinner scheduled Thursday, November 10, 2022, 5:30 p.m. at the Duquesne Club in downtown Pittsburgh.

Elliott Group, a wholly owned subsidiary of EBARA CORPORATION, arranged to have the event's keynote address made by Masao Asami, Director, President, and Representative Executive Officer of EBARA CORPORATION, headquartered in Tokyo, Japan. Asami joined EBARA in 1986, as an Executive Officer and President of the company's Precision Machinery Company, and then was appointed the EBARA Group's President in March 2019.

"Elliott continues to enjoy the benefits of engaging with The Japan-America Society of Pennsylvania and their members," said Nobu Miyaki, Chief Executive Officer of Elliott Group. "Our global business and cultural relationships have been enhanced in the region and around the world as a result."

Attendees to the JASP annual dinner may benefit similarly by networking with those having interest in business, culture, and life in Japan.

"Elliott Group is a prime example of the local economic benefits of a strong relationship between the people of our two countries. The Annual Dinner supports the JASP's mission of enriching intercultural connections in our region," said Amy Boots, Japan-America Society of Pennsylvania's Executive Director.

A silent auction and grand prize raffle will be held. To register for this event, visit japansocietypa.org/event-4615588.

EBARA CORPORATION supports society, industry, and daily life around the world in many different fields, including our core product of pumps, fans, compressors and turbines, and semiconductor manufacturing equipment.

[Elliott Group](https://elliottgroup.com) is a global leader that designs, manufactures, and services technically advanced centrifugal and axial compressors, steam turbines, power recovery expanders, and cryogenic pumps and expanders used in the petrochemical, refining, oil and gas, and liquefied gas industries, as well as in power applications. The company employs 2,300 people in 30 locations around the world. Elliott Group is a wholly owned subsidiary of EBARA CORPORATION.

The Japan-America Society of Pennsylvania (JASP japansocietypa.org) has served the Pittsburgh region for 36 years. JASP is dedicated to improving international understanding and strengthening ties between Japan and Western Pennsylvania. In addition to opportunities for connection between Pittsburgh and Japanese businesses, the JASP provides education about Japan and Japanese culture to schools and the public.

EBARA CORPORATION's President, Masao Asami, is slated as keynote speaker for The Japan-America Society of Pennsylvania's annual dinner, November 10, Duquesne Club.
